5.	On 5 April, an Austrian freight train which included flatcars carrying five T-34 tanks and eight motor vehicles passed through Moedling (0 49/X 37) toward Vienna.	25X1
25X1A (1) (2) 25X1	Comments.  As before, the Jaeger Kaserne in Eisenstadt is occupied by the 254th Gds Mtz Rifle Regt of the 95th Gds Mtz Rifle Div.  The castle in Ebreichsdorf where a veterinary hospital was located prior to September 1950 appears to be newly occupied.  GHO personnel are stationed in the village of Ebreichsdorf.	25X1
(4) 25X1 (5)	Trior to h April 1951, the Largorethen am Hoos estate was occupied by technical personnel of the air force and a repair shop belonging to the Goetzendorf airfield. On 17 April 1951, the quarters were vacant. Recent information fails to indicate to which unit the hight AA battery quartered on the estate is assigned. In addition to this battery, other troops without artillery insignia are quartered there. It is possible that the rocket launcher battalion of the 13th Gds Necz Div is stationed in the Fasangarten Kaserne near Goetzendorf.
